

### Open access journals - Impact factor and Publication fee details

S.No.	Journal	Publisher	Country	Language	Keywords	Impact Factor (2014)	Publication Fee
1	Acta Technica Corviniensis	University Politehnica Timisoara	Romania	English	technology, engineering		N
2	Advances in Civil Engineering	Hindawi Publishing Corporation	USA	English	civil engineering		USD 600
3	Advances in Materials Science	Versita Open	Poland	English	biomaterials, ceramics, glass, composite materials, natural materials		N
4	Advances in Materials Science and Engineering	Hindawi Publishing Corporation	USA	English	materials science, engineering		USD 1200
5	Analele Universității Eftimie Murgu Reșița. Fascicula de Inginerie	Eftimie Murgu University of Resita	Romania	English	civil engineering, mechanical engineering, electrical engineering		N
6	Annals of the Faculty of Engineering Hunedoara	University Politehnica Timisoara	Romania	English	engineering, technology, material science, industrial applications		N
7	Archives of Civil Engineering	Versita Open	Poland	English	civil engineering		N
8	Bulletin of Materials Science	Indian Academy of Sciences	India	English	materials science	1.017	N
9	Bulletin of the Polytechnic Institute of Jassy, Constructions, Architecture Section	Gheorghe Asachi Technical University of Jassy	Romania	English French	civil engineering, architecture, theoretical and applied research		N

10	CFD Letters	ISSR	Malaysia	English	fluid mechanics, computational methods, aerodynamics, turbulence models		N
11	Ciência & Tecnologia dos Materiais	Sociedade Portuguesa de Materiais	Portugal	Portuguese and English	materials science		NA
12	Civil Engineering Dimension	Institute of Research and Community Outreach, Petra Christian University	Indonesia	English Indonesian	civil engineering science and application		N
13	Computational Methods in Civil Engineering	University of Guilan	Iran	English	computational methodology, computational modeling and simulation, engineering		N
14	Concrete Research Letters	ISSR	Malaysia	English	concrete engineering, concrete technology, concrete practice		N
15	Contemporary Engineering Sciences	Hikari Ltd	Bulgaria	English	engineering models		EUR 25 per page
16	Differential Equations and Nonlinear Mechanics	Hindawi Publishing Corporation	USA	English	non-linear phenomena, computational techniques, differential equations		USD 500
17	Electronic Journal of Geotechnical Engineering	Electronic Journal of Geotechnical Engineering	USA	English	geosynthetics, geotechnical engineering, environmental geotechnics		USD 250

18	Electronic Journal of Information Technology in Construction	International Council for Research and Innovation in Building and Construction (CIB)	Sweden	English	building and construction, computer science applications		N
19	Electronic Journal of Structural Engineering	EJSE International	Australia	English	structural engineering, standards, construction, soil-structure interaction, testing technologies		N
20	Engineering	Scientific Research Publishing	USA	English	applied mechanics engineering, electrical engineering, materials engineering		USD 600 (For 10 pages; \$50 for each additional page)
21	Engineering Economics	Kaunas University of Technology	Lithuania	English	economics of engineering decisions, economic conditions of enterprise functioning, work humanism, commerce of engineering decisions		NA
22	Engineering Journal	Chulalongkorn University	Thailand	English	natural resources, energy, environment, technology		N
23	eXPRESS Polymer Letters	Budapest University of Technology	Hungary	English	polymers, polymer processing technologies, molecular engineering, materials science, chemical technology	2.761	N

24	Facta Universitatis Series: Architecture and Civil Engineering	University of Niš	Serbia	English	traffic, architecture		N
25	Frattura ed Integrità Strutturale	Gruppo Italiano Frattura	Italy	Italian English	fracture, materials mechanical behaviour, structures Integrity		N
26	Ganpat University Journal of Engineering & Technology	U.V. Patel College of Engineering	India	English	civil engineering, computer science, electronics, biomedical engineering		N
27	Heron	Technische Universiteit Delft	Netherlands	English	structural mechanics, construction, building materials		N
28	International Journal of Advanced Structural Engineering	Springer Open	Iran	English	building construction, structural engineering, bridges, dams		N
29	Indian Journal of Engineering & Materials Sciences	NISCAIR	India	English	materials science, composites, alloys, nanotechnology, fluid mechanics, metallurgy	0.413	N
30	International Journal of Civil and Structural Engineering	Integrated Publishing Association	India	English	general engineering, civil engineering, structural engineering, finite element analysis, applied research		Y (Registered authors are not charged with processing fee)
31	International Journal of Corrosion	Hindawi Publishing Corporation	USA	English	corrosion		USD 500
32	International Journal of Engineering	Computer Science Journals	Malaysia	English	engineering		USD 200

33	International Journal of Engineering and Technology	Engg Journals Publications	India	English	engineering, technology		INR 7500-9000
34	IOP Conference Series: Materials Science and Engineering	IOP Publishing	UK	English	mechanics, thin films, composites		NA
35	ISRN Civil Engineering	Hindawi Publishing Corporation	Egypt	English	civil engineering		USD 500
36	ITB Journal of Engineering Science	Institut Teknologi Bandung	Indonesia	English	engineering		N
37	Journal of Applied Fluid Mechanics	Regional Information Center for Science and Technology	Iran	English	theoretical, experimental, numerical, fluid mechanics		N (For first 15 pages no cost. For each additional page \$10)
38	Journal of Construction in Developing Countries	Universiti Sains Malaysia	Malaysia	English	construction management, real estate development, building technology, building design, developing countries		N
39	Journal of Emerging Trends in Engineering and Applied Sciences	Scholarlink Resource Centre	UK	English	engineering, technology, applied science		USD 250
40	Journal of Engineering and Applied Sciences	Asian Research Publishing Network (ARPN)	Pakistan	English	engineering sciences, technology		Y
41	Journal of Engineering Science and Technology	Taylor's University	Malaysia	English	engineering, technology		N

42	Journal of Engineering Science and Technology Review	Kavala Institute of Technology	Greece	English	engineering science, technology, general science		N
43	Journal of Information Technology in Construction	International Council for Research and Innovation in Building and Construction	Netherlands	English	information technology, construction		N
44	Journal of Nanomaterials	Hindawi Publishing Corporation	USA	English	nanomaterials science, engineering, nanotechnology	1.644	USD 1200
45	Journal of the Institute of Engineering	Tribhuvan University Teachers Association	Nepal	English	engineering, technology, science		N
46	Journal of the South African Institution of Civil Engineering	South African Institution of Civil Engineering	South Africa	English	civil engineering, technology		N
47	Latin American Journal of Solids and Structures	Argentinean Association of Computational Mechanics, Brazilian Association of Computational Mechanics, Mexican Association of Numerical Methods in Engineering and Applied Sciences	Brazil	English	solids mechanics, structures, material behaviour		N
48	Lean Construction Journal	Lean Construction Institute	USA	English	lean construction, lean design, construction process		N

49	Materiales de Construcción	Consejo Superior de Investigaciones Científicas	Spain	Spanish English	cement, concrete, durability, corrosion, restoration, conservation, use of industrial waste and by-products in construction	0.961	N
50	Materials	MDPI AG	Switzerland	English	materials science, materials engineering, nanoscience, nanotechnology		CHF 800
51	Materials and Technology	Institute of Metals and Technology with associated publishers	Slovenia	English Slovenian	engineering mechanics and materials, metallurgy		NA
52	Materials Research	ABM, ABC, ABPol, SBCC, SBCr, SBMM, SBPMat	Brazil	English	engineering, exact and earth sciences	0.516	N
53	Open Civil Engineering Journal	Bentham Open	USA	English	engineering, materials		USD 800
54	Open Construction & Building Technology Journal	Bentham Open	Netherlands	English	buildings, building construction		USD 800
55	Open Materials Science Journal	Bentham Open	USA	English	materials engineering		USD 800

56	Research Journal of Applied Sciences, Engineering and Technology	Maxwell Science Publication	UK	English	agricultural engineering, biotechnology, civil engineering, food science and technology, electrical engineering, production engineering, mechanical engineering, physics		USD 300
57	Revista Fiabilitate si Durabilitate	Academica Brancusi	Romania	English Romanian	reliability, durability, engineering, strength of materials		N
58	Revista Ingeniería de Construcción	Pontificia Universidad Católica de Chile	Chile	Spanish English	construction engineering, construction management, materials		NA
59	Sadhana	Indian Academy of Sciences, Springer	India	English	engineering science, computer science, aerospace technology, materials science, nuclear engineering	0.476	N
60	Science and Technology of Advanced Materials	Institute of Physics, National Institute for Materials Science	Japan	English	materials science, nanotechnology	3.513	N
61	Scientific Herald of the Voronezh State University of Architecture and Civil Engineering	Voronezh State University of Architecture and Civil Engineering	Russia	English	construction, architecture, bridges		N
62	Smart Materials Research	Hindawi Publishing Corporation	Egypt	English	materials science		Y

63	Structural Engineering / Earthquake Engineering	Japan Society of Civil Engineers	Japan	English	civil engineering, structural engineering, earthquake engineering	NA
64	Structural Integrity and Life	Society for Structural Integrity and Life, Institute for Material Testing	Serbia	Serbian, English	structural engineering, risk, fatigue, material testing	N
65	Sustainability: Science, Practice & Policy	CSA, NBII	USA	English	sustainable solutions, nature-society interactions, biological/environmental interaction	Y

*The list is based on Directory of Open Access Journals.*

*The impact factors are based on Thomson Reuters Report*

*Scientists/Users having information on any other open access journals other than the above are welcome to send it to KRD for inclusion in this list.*

*The list would be updated from time to time.*
